

HERMITAGE

PARISI
BATHWARE

DESIGN 

floor mounted bidet

Manufactured by **ARTCERAM**

3.84.0

January 2011

Soft lines that evoke nineteenth century atmospheres and are the ideal protagonists for classic settings, while at the same time, fit perfectly with soft, contemporary looks. A complete series enhanced with fine details.

Code: white ACH02
 gloss black ACH22

Tap Hole Options

1 tap hole only.

Trap Options

S or P - Trap.

Waste Outlet

32mm overflow plug & waste to be ordered separately (see technical data sheets 2.99.0 for options).

Overflow

Standard - positioned at the rear of bowl.

Colour

White or Gloss Black

Fixings / Brackets

A pair of PVC floor fixing brackets are supplied as standard with the bidet. These are secured to the floor, which then enables the screws to be fixed to the brackets.

Installation Instructions

As access may be required to service the bidet mixer in the future, the bidet is unable to be installed using sand and cement. To do so will void the product warranty. Hygiene requires the bidet to be fitted with a pop up waste, which will be available from the selected bidet mixer manufacturer. It is recommended that the access width for (and including) the bidet be 850 - 900mm.

Packing Details

Supplied in 1 carton.
